

Welcome to Reps & Revenue

Website Onboarding Guide

Your new website is closer than you think.

repsandrevenue.com

1. How Our Workflow Works

1. **Onboarding call** - We confirm what you need, the style you like and any specific features.
2. **Deposit** - We take the £50 deposit and add your build to our queue.
3. **Templates and ideas** - We show you templates and live examples to narrow down what you want.
4. **We deliver what you want** - Your site is built to match your brand, content and goals.
5. **Any revisions** - We make unlimited revisions (within reason) until you are happy.
6. **Full payment** - If you want the site live, the £250 completion fee covers ownership, hosting for one year and ongoing support.

2. Things to Think About

To help us build the perfect site, please gather your thoughts and assets on the following.

2.1 Branding

Do you have an existing logo, brand guidelines or a particular feeling you want the site to convey? Examples: modern and clean, bold and energetic, calm and premium, local and trustworthy.

2.2 Colours

What colours represent your brand? If you do not have exact hex codes, share examples of websites, images or palettes you like.

2.3 Layout

What pages do you need? Common examples:

- Home, About, Services, Contact
- Home, About, Classes / Booking, Contact
- Home, Portfolio, Services, Testimonials, Contact

2.4 Fonts

Do you have a preferred font style? Examples: classic serif, clean sans-serif, bold display font, handwritten feel.

2.5 Images

Good photos make a huge difference. Please provide:

- Logo files (PNG, SVG or PDF)
- Photos of your work, team or premises
- Any icons, graphics or videos you want included

3. The Onboarding Form

Please complete the onboarding form linked below. It asks for the decisions above and includes sections to upload your media.

Onboarding Form

(Replace this placeholder with your actual form URL.)

If we do not receive the completed form, we will build a generic site using the information from our onboarding call so we can still complete our side of the £50 agreement.

4. Timeline

We aim to deliver your first website draft within **4-7 days** of receiving the deposit and onboarding information. We usually beat that deadline.

5. On a Budget?

We get it - cash flow matters. Speak to our sales team about flexible plans that keep your project moving without stretching your budget.

6. Have Bigger Plans?

We can build far more than brochure sites. If you have bigger ideas, talk to our sales team about custom solutions such as:

- CRM integration
- Conversational chatbots
- Advanced tooling and automations
- Membership areas or client portals
- Booking and appointment systems
- E-commerce and product catalogues
